

Central Electoral Commission of Georgia
Tbilisi
Georgia

Tbilisi, 14 November 2024

Dear Central Electoral Commission of Georgia,

As requested, we hereby confirm that the marking pen shown in the picture below was delivered by Smartmatic as part of the scope of the contract for the October Elections, and in compliance with the requirement of black and quick drying ink.

These markers were part of the consumables included in the kits assembled for Election purposes during the Election configuration process where Smartmatic provided on-site support.

It is important to highlight that these markers were not only used during the October Elections but were also successfully used during the Mock Election conducted on September 11th, 2024, and also in the different training and voter education activities that took place as part of the election preparation without any reported issue on their performance.

Marking Pen Sample

Sincerely,

.....
Marlon C. Garcia
